INTERNATIONAL MESSAGE TELECOMMUNICATIONS SERVICE

3. General Regulations

3.1 Service Description

International Message Telecommunications Service is offered to residential and business Customers of the Company to provide direct dialed termination of international station-to-station calls placed from origination points in Virginia, using the Company's network to the countries or areas designated which are not part of the United States or its territories. The Company provides switched long distance network services for voice grade and low speed dial-up data transmission services offered on a usage sensitive basis. All services are provided subject to the terms and conditions set out in this offering. See Sections 1 through 5. This service is a usage sensitive switched service allowing voice grade or low speed dial-up data transmission.

3.2 Interconnection with Other Common Carriers

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services concurrently with its own facilities for the provision of services offered herein.

3.3 Undertaking of the Company

- (a) The Company undertakes to provide switched International Message Telecommunications Service in accordance with the terms and conditions set forth in this tariff.
- (b) The Company shall provide International Message Telecommunications Service as an integral part of The Company' Domestic service offerings which are untariffed.

3.4 Use of Service

Customers are prohibited from and by their acceptance of service agree not to use the services furnished by the Company for any unlawful purpose or for any purpose prohibited under the provisions of any regulatory order.

3. General Regulations (cont'd)

3.5 Liability of the Company

- (a) In case of the Company's willful misconduct, the Company's liability, if any, is not limited by this tariff. The liability of The Company, if any, for damages resulting in whole or in part from or arising in connection with the furnishing of service under this tariff, including but not limited to mistakes, omissions, interruptions, delays, errors or other defects in transmission occurring after service activation and during the course of furnishing service or arising out of any failure to furnish service shall in no event exceed an amount of money equivalent to the proportionate charge to Customer for the period of service during which such mistakes, omissions, interruptions, delays or errors or defects in transmission occur and continue. However, any such mistakes, omissions, interruptions, delays, errors, or defects in transmission or service which are caused by or contributed to by the negligence or willful act of Customer, or which arise from the use of Customer-Provided Facilities or equipment shall not result in the imposition of any liability whatsoever upon the Company.
- (b) The Company is not liable for any act, omission or negligence of any Local Exchange Carrier or other provider whose facilities are used concurrently in furnishing any portion of the services received by Customer, or for the unavailability of or any delays in the furnishing of any services or facilities which are provided by any Local Exchange Carrier. Should the Company employ the service of any Other Common Carrier in furnishing the services provided to Customer, the Company's liability shall be limited according to the provisions of Section 3.5(a) above.
- (c) Under no circumstances whatever shall the Company or its officers, agents, or employees be liable for indirect, incidental, special or consequential damages.
- (d) The Company shall not be liable for any failure of performance hereunder due to causes beyond its control, including but not limited to fire, flood, or other catastrophes; Acts of God; atmospheric conditions or other phenomena of nature, such as radiation; any law, regulation, directive, order or request of the United States Government, or any other government including state and local governments having any jurisdiction over the Company or the services provided hereunder; national emergencies; civil disorder, insurrections, riots, wars, strikes, lockouts, work stoppages, or other labor problems or

regulations established or actions taken by any court or government agency having jurisdiction over the Company.

(e) The Company is not liable for any damage to Customer's premises or equipment arising out of the connection of any of Company equipment associated wiring on such premises, or from the installation or removal thereof except to the extent that such damage results from the Company's negligence or willful misconduct. Customer will indemnify and save and hold the Company harmless from any claims of the owner of Customer's premises or equipment, or other third party claims for such damages.

(f) The Company shall not be liable for any act or omission of any other entity furnishing to the Customer facilities or equipment used with the service furnished hereunder; nor shall the Company be liable for any damages or losses due in whole or in part to the fault or negligence of the Customer or due in whole or in part to the failure of Customer-provided equipment or facilities.

3.6 Assignment

(a) Customer shall not assign or transfer the use of the Company's services except that, where there is no interruption or relocation of use, such assignment or transfer may be made to an assignee Customer, whether an individual, partnership, association or corporation, if the Company consents in writing to such assignment and provided that:

1. Customer of record (assignor Customer) requests such assignment or transfer in writing in accordance with paragraph (c) below: and
2. The new Customer (assignee Customer) notifies the Company in writing that it agrees to assume all outstanding obligations of the former Customer for use of the Company's services. These obligations include all outstanding indebtedness for the use of the Company's service.

Consent to such assignment or transfer will not be unreasonably withheld.

3. General Regulations (cont'd)

3.6 Assignment (cont'd)

- (b) Any permitted assignment or transfer of the Company's service shall not relieve or discharge any Customer from remaining jointly and severally liable with the new Customer for any obligations existing at the time of transfer or assignment.
- (c) Customer shall provide written notice to the Company at least forty-five (45) days prior to the effective date of any requested assignment or transfer. The Company agrees to respond to a request to assign or transfer to another Customer within thirty (30) days of receipt of notification. All terms and provisions contained in this tariff shall apply to any assignee or transferee.

3.7 Allowance for Interruption of Service

If, for any reason, the service is interrupted, the Customer will only be charged for the service that was actually used.

3.8 Access to International Message Telecommunications Service

- (a) International Message Telecommunications Service is available to any Customer subscribing to any of the Company's F.C.C. No. 1 Interstate Telecommunications service offerings in any city of Virginia in which the Company's F.C.C. No. 1 Interstate Telecommunications Services are offered

4. Payment and Credit Regulations

4.1 Payment of Charges

- (a) Customer shall pay for all charges invoiced for usage of the Company's service hereunder. All bills are due by the 21st day after bill date and are payable at the address indicated on the Company's invoice.
- (b) Once service is activated, Customer is liable for the payment of all usage charges for services to be provided by the Company to Customer.
- (c) Charges associated with usage shall be billed in arrears.
- (d) Any applicable federal, state and local use, excise, sales or privilege taxes or similar liabilities chargeable to or against the Company as a result of the provision of the Company's services hereunder to Customer, shall be charged to and payable by Customer in addition to the rates indicated in the tariff for International Message Telecommunications Service.
- (e) In the event the Company must employ the services of attorneys for collection of charges due under this tariff and any separate contract for Special Services, Customer shall be liable for all costs of collection including a reasonable attorney's fee.
- (f) It is the intention of the Company to conform strictly to applicable laws.
- (g) In cases involving toll fraud, the Company may backbill for one and one-half (1 1/2) years from the point when such fraud was detected and/or quantified.

4. Payment and Credit Regulations (cont'd)

4.2 Security for Payment

(a) Authorization to Obtain Credit Information

The Company reserves the right to require all Customers to establish credit worthiness to the reasonable satisfaction of the Company. Upon application for service, Customer shall be deemed to have authorized the Company to obtain such routine credit information and verification as the Company shall require in accordance with its then existing credit policies.

(b) Deposit

Prior to service activation or any permitted assignment, the Company reserves the right to require any Customer whose credit worthiness has not been established to the reasonable satisfaction of the Company to make a deposit to guarantee payment of charged. After service activation, if Customer's recurring charges are usage sensitive and Customer's actual monthly usage exceeds Customer's estimated monthly usage by more than 25% a deposit or additional deposit may be required.

(i) The total amount of any security deposit, if required by the Company, shall be a maximum of the Customer's estimated charges for two (2) months' service. Deposits may be applied against any bill(s) owned by Customer to the Company for service rendered hereunder and the company's untariffed domestic service and installation of service, to the extent that such bill(s) are unpaid more than thirty (30) days after the bill date.

(ii) After the initial thirty (30) days, a deposit will accrue interest at the rate not to exceed eight (8) percent per annum.

(iii) A deposit will be returned by the Company under the following circumstances:

When an application for service has been canceled prior to service activation, the deposit will be applied to any existing charges incurred in accordance with the provisions of this tariff. The Company agrees to refund the excess portion of the deposit, if any, within thirty (30) days following settlement of Customer's account.

4. Payment and Credit Regulations (cont'd)

4.3 Denial of Access to International Message Telecommunications Service by the Company

The Company expressly retains the right to immediately deny the access to service without incurring any liability for any of the following reasons:

- (a) Nonpayment of any sum due for service provided hereunder, where Customer's charges remain unpaid more than ten (10) days following notice of nonpayment from the Company. Notice shall be deemed to be effective upon mailing of written notice, postage prepaid, to Customer's last known address; or
- (b) Customer's acts or omissions which constitute a violation of, or a failure to comply with, any regulation stated in this tariff governing the furnishing of service, but which violation or failure to comply does not constitute a material breach or does not pose any actual or threatened interference to The Company operations or its furnishing of services. The Company agrees to give Customer ten (10) days notice of such violation or failure to comply prior to service; or
- (c) The implementation of any order of a court of competent jurisdiction, or federal or state regulatory authority of competent jurisdiction, prohibiting the Company from furnishing such service; or
- (d) Where Customer has failed or neglected to tender any additional or required security deposit within ten (10) days of demand by the Company.

Issued: January 20, 1997

Effective: January 21, 1997

4. Payment and Credit Regulations (cont'd)

4.4 Customer's Liability in the Event of Denial of Access to Service by the Company

In the event Customer's service is disconnected by the Company for any of the reasons stated in Section 4.3, Customer shall be liable for all unpaid charges due and owing to the Company associated with the service. Customer's deposit and accrued interest shall be applied to all cancellation charges applicable to the service offering received by Customer.

4.5 Reinstitution of Service

If Customer seeks reinstatement of service following denial of service by the Company, Customer shall pay to the Company prior to the time service is reinstated (1) all accrued and unpaid charges, and (2) a deposit per section 4, subparagraph 4.2(b)(1) in order to reinstate service.

4.6 Discontinuation of Service

The Customer's service shall automatically discontinue upon discontinuation of the Customer's subscription to the Company's F.C.C. No. 1 Interstate Telecommunications Service.

4. Payment and Credit Regulations (cont'd)

4.7 Billing Disputes

In the event Customer disputes any charges billed by the Company, Customer may withhold from payment to the Company the disputed portion of any billing pending resolution of the dispute, provided Customer submits to the Company an itemized statement in writing which identifies the disputed charges and reasonably explains the basis of the dispute. Customer's explanation must be received by the Company within ten (10) days of the bill date of the disputed bill. The Company shall resolve the dispute, within thirty (30) days of receipt of determination of whether any billing adjustment should be made into Customer's account. In making such determination the Company will consider all relevant and credible information provided by Customer as well as any other information reasonably available to the Company. The burden of proof to establish any right to billing adjustments in Customer's favor shall be solely upon Customer.

In the event Customer does not agree with the initial determination by the Company relating to amounts in dispute and adjustments, if any, which the Company may agree to make, Customer shall so advise the Company and within ten (10) days following the Company's initial determination shall submit to the Company any additional information which Customer deems pertinent or relevant to the dispute. Within twenty (20) days of the Company's receipt of additional information, the Company shall make its final determination based upon all documentation or information available to the Company. In the event the Company lacks credible evidence to substantiate Customer's position after a reasonable review of and consideration of such information available, the Company shall notify Customer and, if the Company determines that all or any portion of such disputed amount is still owed, Customer shall be required to tender payment of such amount within ten (10) days thereafter. If Customer withholds the disputed amount thereafter, or within the time required, fails to provide supporting information in writing which sets out a legitimate basis under this tariff for disputing any charges, Customer's account shall be deemed to be past due and unpaid. In such event, the Company shall be entitled to deny Customer's service immediately and/or require an additional deposit.

4. Payment and Credit Regulations (cont'd)

4.7 Billing Disputes (cont'd)

If the billing dispute is resolved in favor of the Company, any payments withheld pending resolution of the dispute shall be subject to a late payment fee of 1.5 percent per month for the period during which such charges remain unpaid.

4.8 Right to Backbill for Improper Use of the Company's Services

Any person or entity which uses, appropriates or secures the use of services from the Company, whether directly or indirectly, in any unlawful manner or through the providing of any misleading or false information to the Company and which use, appropriation, or securing of services is inconsistent with the stated uses, intents, and purposes of this tariff or any restrictions, conditions, and limitations stated herein, shall be liable for an amount equal to the accrued and unpaid charges that would have been applicable to the use of the Company's services actually made by Customer.

4.9 Bank Charges

In the event that a check or draft tendered by a Customer is returned, a fee based on the policy of the local exchange telephone company which serves the customer will apply. The fee will be assessed when a check or instrument issued by a Customer is returned without payment for any reason whatsoever, unless the return is a bank error, in which case documentary evidence is required to waive the fee.

4.10 Late Payment Charge

Customers billed by local exchange telephone companies on behalf of the Carrier are responsible for any late payment charges that the local exchange telephone companies may employ in their billing process.

5. Rates for International Message Telecommunications Service

5.1 Types of Offerings

International Message Telecommunications Service is available as additional service at the rates listed in 5.3, through subscription to any of the three (3) F.C.C. No. 1 Interstate Telecommunications service offerings available from the Company: MTS Service, Express Service, and Megacall Service. Each of these offerings utilize the same rate schedules but have different rates and billing increments for each of the rate schedules.

(a) Determination of Duration

- (i) Chargeable time begins when the connection is established between the calling station and the desired telephone, attendant board, or private branch exchange console.
- (ii) Chargeable time ends when the connection is terminated.
- (iii) Chargeable time does not include the time lost because of faults or defects in the service.

(b) Determination of Time of Day

- (i) Standard, Discount, and Economy, or Day, Evening, and Night/Weekend times are determined by the local time of the calling party. Chargeable time for a rate period (e.g 8AM-5PM) begins with the first stated hour (8AM) and continues to, but does not include, the second stated hour (5PM).

(c) Calculation of Billable Time for MTS Service

- (i) The initial whole minute or fraction thereof is subject to the initial minute rate.
- (ii) The subsequent seconds are rounded in whole minute increments, with the remaining seconds, if any, rounded up to the next whole minute and billed at the additional minute rate.

INTERNATIONAL MESSAGE TELECOMMUNICATIONS SERVICE

5. International Message Telecommunications Service (cont'd)

5.3 Inmarsat Service - There are four types of Inmarsat, calls: Inmarsat Type A, B, M and Aeronautical Services. The four types of calls are to the Atlantic, Indian, and Pacific Ocean Inmarsat locations which are described below. Volume discounts are not applicable for calls to Inmarsat locations. These rates apply to all hours and days. Inmarsat Standard A Service is calculated on a 60-second minimum duration basis, with additional 60-second increments.

(a) Inmarsat Standard A Service: For analog-based calls made to mobile terminals using the dialing pattern of: International Access Code (011) + Ocean Region Code (three-digits) + Standard A terminal number (seven-digits, beginning with, and including the digit "1", "8", or "9").

(b) Inmarsat Standard B Service: For digital-based calls made to mobile terminals using the dialing pattern of: International Access Code (011) + Ocean Region Code (three-digits) + Standard B terminal number (nine-digits, beginning with, and including the digit "3").

(c) Inmarsat Standard M Service: For digital-based calls made to mobile terminals using the dialing pattern of: International Access Code (011) + Ocean Region Code (three-digits) + Standard M terminal number (nine-digits, beginning with, and including the digit "6").

(d) Inmarsat Aeronautical Service: For digital-based calls made to aeronautical terminals using the dialing pattern of: International Access Code (011) + Ocean Region Code (three-digits) + Standard B terminal number (nine-digits, beginning with, and including the digit "5").

(e) Rates for calls terminating to the following locations.

<u>Location</u>	<u>Per min..</u>
